

Sponsorship packages available at the South and South West Housing LIN Annual Conference – Bristol on 20th October 2015

We are pleased to announce that the South Housing LIN conference this year is even bigger. Following on from last year's success, it is the premier annual event attracting professionals from across the sector. This conference will provide great opportunities for networking, and sharing learnings on the latest trends and issues in the housing and care sector.

This year we have introduced new packages to ensure you get as much exposure, both on the day and the communication leading up to the event.

If you have any questions about any of the packages, please email Melissa Croley at Melissa.Croley@keepmoat.com and Cc us in at info@housinglin.org.uk
