HOUSING AND DEMENTIA RESEARCH CONSORTIUM

Save the date:
23rd May 2019

HDRC knowledge and learning exchange event 2019

Title: Assistive technology for people living with dementia: the aspirational and the achievable.

Organiser: Housing and Dementia Research Consortium

Description: In this 2019 conference, we will share learning about innovative assistive technology that can support daily living, social participation and leisure for people affected by dementia.

We will hear about the latest technology in this field, the aspirational and the achievable use of assistive technology in accommodation and care settings and recent research exploring the use of assistive technology by people living with dementia.

There will be speakers from different fields (academics, third sector organisations, housing providers and people affected by dementia) a panel debate and round table discussions.

Duration: 1 day event, 10am-4pm

Fee: £50 per person. Includes refreshments and lunch.

Venue: University of Worcester Arena, Hylton Road, Worcester.
