

Responding to the Recommendation of Dementia Readiness

20/05/2021

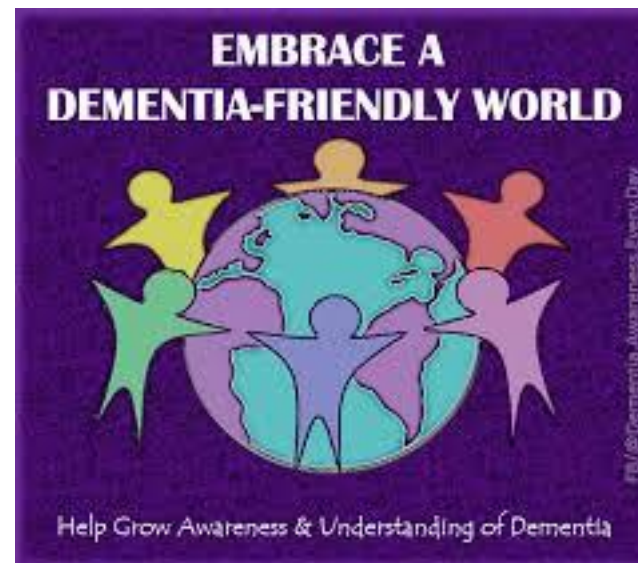

Foundations

National Body for Home Improvement Agencies
Improving Delivery of the Disabled Facilities Grant

“Dementia Readiness”

- **APPG Report**
- **Of More than Marginal Interest**
- **Both make recommendations that aren't radical, but are expectations**

Making services as ready as possible

- **More Disabled Facilities Grants to be done for people with dementia**
- **More housing policies with dementia included more meaningfully**

Let's talk
about
dementia

Making services as ready as possible

- **Training beyond Dementia Friends**
- **Proactive training**
- **Creation of dementia – specific roles**

Making processes as ready as possible:

- **Better training: professional and personal**
- **More informed services r.e. adaptations**
- **Tailored services**

Making people as ready as possible

- **Responding to changing demographics**
- **FOR ALL**
- **Providing information early**
- **Building services around people who use them**
