

Expressions of interest sought to review and transform our homes for older people

If you are passionate about delivering the sort of homes that people over 55 want to live in, we want to work with you. We want to transform our current offer and provide a wide range of quality homes.

We are a housing provider that manages over 2,000 sheltered homes in the south of England. We are seeking innovators that have a track record of transforming older people's housing into modern, desirable accommodation that meets the needs and aspirations of a diverse range of people.

The successful bidder(s) will review our portfolio and present our panel with a plan that maximises the value of our current assets by a process of retention, remodelling or redevelopment. We expect the overall result will be an exciting new mix of desirable homes across a range of tenures, from affordable rent to outright ownership, which current and future residents will aspire to live in.

For more information please register with Trowers and Hamlins on **01392 612616** or email expressions@trowers.com

Closing date for expressions of interest: 28 November.

Closing date for submission of proposals: 19 December.
